---

Ian Vasey is an internationally renowned Chiropractor and extremely well respected within his field. Ian has been a practising Chiropractor in Devon for over 20 years and is registered as a consultant with both BUPA and PPP healthcare insurers and is a Fellow of the Royal College of Chiropractors.

Using diagnostic ultrasound, Ian finds problems in muscle, ligament and tendons which is a fantastic way of solving chronic soft tissue pain. **He is one of the first in Devon to offer the fantastic new treatment for chronic tendonitis – Shockwave Therapy.**

Ian is one of a few UK specialists in the UK trained by ATRAD – the former International Association for Radial Pain Therapy – to deliver **Shockwave** treatment.

Ian, also trains others, for the Swiss DolorClast Academy which cultivates academic excellence by educating the experts of tomorrow while nurturing innovation and medical research.

Originally from North Yorkshire, Ian qualified with a BSc in 1994 from the Anglo European College of Chiropractic. Served on the British Chiropractic Association council including time as secretary and has been the Chair of the South West Chiropractors. He has lectured widely on the use of foot supports to relieve leg, back and posture problems. He is married with 4 young children, is a keen skier, triathlete and an active member of his local church.
