

GDT Course

Guided DolorClast® Therapy – Combination Therapies including DolorClast® High Power Laser & ESWT

LOCATION: The Gibberd Room, Metropolitan Cathedral, Mount Pleasant, Liverpool, L3 5TQ

DATE: May 21st, 2022

TIME: 09:00 am – 04:00 pm (registration and coffees start around 08:30 am)

HOW TO FIND US:

On Foot

From the city centre the Cathedral is about a 10 minute walk. There are signs throughout the city centre directing visitors to the two cathedrals. Head for the Adelphi Hotel and then walk up Mount Pleasant which runs from the right of the hotel as you face it, and is the right hand of the fork, keeping to the right of the multi-storey car park.

By Bus

From Hanover Street in the City Centre, take buses 14, 82E or 86C. From Queen Square Bus Station, take buses 79 or 61.

By Train

Mainline trains terminate at Lime Street Station. The Cathedral is about a 10 minute walk from the station. On leaving the station, turn left on to Lime Street and then left again up Skelhorne Street. This joins Copperas Hill. At the traffic lights turn right on to Russell Street. Turn left at the traffic lights on to Brownlow Hill. The Cathedral is clearly visible from there.

By Car

If using satnav, please input L3 5TQ, or Mount Pleasant. Alternatively follow the brown tourist signs for the Cathedrals or Liverpool University.
From the M62 follow brown tourist signs to Cathedrals. From the M53 take the Wallasey Tunnel, or from the Wirral take the Birkenhead Tunnel, and follow brown tourist signs to Cathedrals. There is a toll of £1.80 for cars using the tunnels.

The Cathedral has an underground car park which is open to all visitors from 7.30am-6pm daily. There are also spaces for disabled drivers which are clearly marked.

Parking charges are £1.50 for 1 hour; £3.00 for 3 hours; £6.00 all day to 6pm.

The height restriction for the Cathedral Car Park is 7 foot 6 inches.

Additionally, The University of Liverpool operates a car park which is also located on Mount Pleasant, opposite the entrance to the Cathedral Car Park.
